INDEPENDENT AUDITORS' REPORT TO THE SHAREHOLDERS OF

GLOBAL ADVISORS (JERSEY) LIMITED

We have audited the financial statements of Global Advisors (Jersey) Limited for the year ended 31 December 2015, which comprise the balance sheet, income and expenditure account and related notes 1 to 22. The financial framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (Financial Reporting Standard 102).

Respective responsibilities of directors and auditors

As explained more fully in the Directors' Responsibilities Statement set out on page 1, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards on Auditing.

This report is made solely to the company's shareholders as a body, in accordance with Article 113A of the Companies (Jersey) Law 1991. Our audit work has been undertaken so that we might state to the company's shareholders those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's shareholders as a body, for our audit work, for this report, or for the opinions we have formed.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error.

This includes an assessment of whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the directors and the overall presentation of the financial statements.

In addition, we read all the financial and non-financial information in the directors' report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements;

- give a true and fair view of the state of affairs of the company as at 31 December 2015 and of its results for the year then ended;
- have been properly prepared in accordance with United Kingdom Accounting Standards (Financial Reporting Standard 102); and
- have been prepared in accordance with the Companies (Jersey) Law 1991.
